

SEVERE

No possible solution.
Strike until demands met.

HIGH

Alert : most unsatisfactory situation.
Massive actions to be organized.

ELEVATED

Situation now problematical.
Possible unofficial or lightning strikes.

GUARDED

Situation to be surveyed : some suspicions.
Close analyses begin from this threshold.

LOW

No problem reported.

In case of certified unsatisfaction reported by UpSet™ software, the different levels of this color-coded ALERT CHART shows how it trigger specific actions organized by "Le Syndicat des Robots".
