

## Shine On

(Guy Chadwick)

In a garden in the house of love  
Sitting lonely on a plastic chair  
The sun is cruel when he hides away  
I need a sister - I'll just stay

A little girl, a little guy  
In a church or in a school  
Little Jesus are you watching me  
I'm so young - just eighteen

She, she, she, she shine on  
She, she, she, she shine on  
She, she, she, she shine on

In a garden in a house of love  
There's nothing real just a coat of arms  
I'm not the pleasure that I used to be  
so young - just eighteen

She, she, she, she shine on  
She, she, she, she shine on  
She, she, she, she shine on

I don't know why I dream this way  
The sky is purple and things are right every day  
I don't know, it's just this world's so far away  
But I won't fight, and I won't hate  
Well not today
